DEAR COUNTY DIRECTOR OF SOCIAL SERVICES:

ATTENTION: Adult Protective Services Supervisors

SUBJECT: PROTECTING ADULTS IN FACILITIES TRAINING

The Division of Aging and Adult Services is pleased to announce the availability of a two-day training entitled, *Protecting Adults in Facilities*. This workshop was developed in collaboration with county DSS Adult Services staff and is being offered four times during FY 2006-2007.

The workshop provides participants an excellent opportunity to learn about and discuss the function of Adult Protective Services (APS) in facilities. The curriculum furthers an understanding of the difference between protecting disabled adults and regulating facilities, stresses collaboration with other agencies and disciplines, and covers diverse methods of protecting disabled adults in facilities.

Social workers and supervisors with responsibility for evaluating and planning service interventions in APS cases will benefit from attending this workshop. The workshop is being offered as advanced level training (beyond the APS Basic Skills Training) for APS staff. **All participants must have completed both Modules I and II of the *Adult Protective Services Basic Skills Training* before attending this workshop.**

A maximum of thirty participants will be accepted at each of the training sites. Registration will be accepted on a first come, first served basis. There is no cost for this training, however, **you must pre-register**. A registration form is attached. Please duplicate as needed. Participants can expect to receive a confirmation letter and specific information about the training site after registering. Each workshop **begins promptly at 9:00 a.m. and ends by 4:00 p.m.** There will be no on-site registration.
